Soviet "J" Class Submarine Scale Drawing

Requirement No. C-SI-80,615 (Project No. C 1334-63)

25X1

25X1A

25X1B

25X1B

1. In response to Requirement No. C-SI-80,615 (C 1334-63), a preliminary photographic analysis was performed [REDACTED] in order to determine the principal dimensions of the new Soviet "J" Class submarine.

2. A scale drawing of the Soviet "J" Class submarine is hereby forwarded as an enclosure to this memorandum. Wherever possible all major visible components of this submarine have been labelled with the mensural data obtained from this study.

25X1B

3. The canvas covered object located in the forward portion of the sail [REDACTED]. It should be noted, however, that the after portion of this object does appear to have a horizontal cut paraboloid shape (approximately [REDACTED] its horizontal axis) facing aft toward the bridge. Other dimensions for this canvas covered object are as indicated on the enclosed scale drawing.

25X1A

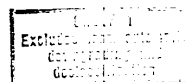

4. The mensural analysis on this study was performed by [REDACTED] CIA/TID/TAB (NPIC). The finished scale drawing was produced by [REDACTED] CIA/PD/GAB (NPIC). The photo analysis and coordination on this project was performed by [REDACTED], CIA/PID/GMB (NPIC), who may be contacted [REDACTED] for any additional information.
